A Virtual Event

OCTOBER 17, 2020

JEAN JACQUES DESSALINES DAY

This event will educate, inspire, and empower you as we showcase phenomenal Haitians across the globe and their contributions to music, art/film, dance, literature, entrepreneurship, and more. We will have you dancing, laughing, and learning more about Ayiti's history and heritage on Jean Jacques Dessalines Day.

We are raising funds for Ayiti Community Trust's endowment, which supports Haitian-driven solutions impacting the environment, civic education and entrepreneurship. We invite you to join us as sponsors and participants as we bring Ayiti into your home.

WHO WE ARE

The Ayiti Community Trust is a group of people dedicating time, talent, and treasure to building a sustainable Ayiti. We are Haitians living in Ayiti and in the diaspora, and friends of Ayiti who believe that, together, we can transform and correct the misrepresentation of Haitians and Ayiti. Motivated and unified by our belief in Ayiti's strengths, we work to supplant relief-driven development with long-term investment in Ayiti's human and social capital.

OUR WORK

We are building an endowment as a mechanism for Haitians and friends of Ayiti across the globe to shape a legacy of long-term support to Ayiti's development. Contributions to the endowment produce ongoing yields that are used to make grants to Haitian-led innovations.
